Section 3. The Board of Governors shall have the right to grant authority to the General Manager to administer and direct the daily operations of the Club, subject to such policies or limitations as may from time to time be adopted by the Board of Governors or by any committee or Officer to which the Board has delegated authority in that regard.

Section 4. The Board of Governors shall enforce the observance of these By-Laws, and may, from time to time, make, amend and repeal such rules for the government and welfare of the Club as may seem to them expedient and as shall be consistent with these By-Laws and shall enforce the rules so made. The Board of Governors may also prescribe from time to time rules for the admission to the privileges of the Club to any person for such period as they may prescribe, subject to the power of the Board of Governors to withdraw such privileges at any time.

The Board of Governors, as an incident to the power to prescribe from time to time rules for the admission to the privileges of the Club, may grant extended guest privileges to any person; and shall adopt, amend, revise, repeal and enforce such rules and regulations as in its discretion are necessary and expedient for granting such special extended guest privileges that are consistent with these By-Laws.

The Board of Governors shall have the authority to establish the amounts to be charged for entrance fees and annual dues for the classes of members.

Section 5. The Board of Governors may at its discretion waive all or a portion of the annual dues or assessments of any member who devotes an unusual amount of time to the interests of the Club, or as such other special circumstances may, in the Board's discretion, warrant, and the Board of Governors shall have the power to extend the period for the payment of dues.

Section 6. The Board of Governors shall have the power to appoint an Assistant Secretary or Temporary Secretary, and an Assistant Treasurer or Temporary Treasurer to serve at the pleasure of the Board of Governors, and further the power to appoint, in the event of the absence or unavailability of any elected or appointed Officer, an acting or temporary substitute for any such Officer but for no longer period than the term for which such Officer had been elected or appointed.

Section 7. There shall be an Executive Committee composed of the President, the Vice-Presidents, Secretary, Treasurer, and the Chair of the House Committee and such at-large members appointed from the Board of Governors, from time to time at the discretion of the President for such a time period as the President shall select. Section 8. The Board of Governors shall appoint the Audit Committee, House Committee and other Standing Committees as hereinafter provided in these By-Laws; and the Board of Governors may appoint such other committees and delegate to them such powers for such terms as the Board of Governors may deem best, subject to the power of the Board of Governors to revoke any such appointment at any time. Except as expressly provided herein, such committees may include Directors, Officers, other members and other individuals, as the Board of Governors may determine in its sole discretion; provided that (i) voting members of any committee to which powers of the Directors are delegated shall consist solely of Directors and (ii) any committee that includes non-Directors as voting members shall be considered an advisory committee and shall not be a committee of the Board of Governors, and individuals

serving on any advisory committee shall not, in that capacity, have the legal or fiduciary obligations of Directors or any authority to act on behalf of the Club.

Section 9. A regular meeting of the Board of Governors shall be held at least quarterly at such time and place as the Board of Governors may determine. Any member of the Board of Governors may waive notice of any meeting, either before or after such meeting. A majority of the members of the Board of Governors then in office shall constitute a quorum.

Section 10. Except as otherwise required by law, the Club's Articles of Organization or these By-Laws, any action of the Board of Governors shall be taken by the affirmative vote of a majority of the Directors present at any meeting at which a quorum is present. Any action required or permitted to be taken at any meeting of the Board of Governors may be taken without a meeting, if all of the Directors consent to the action in writing and the written consents are filed with the records of the meetings of the Board of Governors. Such consents shall be treated for all purposes as a vote at a meeting. Directors or members of any committee designated by the Directors may participate in a meeting of the Directors or such committee by means of a conference telephone or similar communications equipment, provided that all persons participating in the meeting can hear each other at the same time; in such event, participation by such means shall constitute presence in person at a meeting.
